

Handbuilding Clay

A class for Wellbeing

Tuesday 24th September 9am till 2pm

\$10 per participant, registration essential

Come and connect, de-stress and focus with the therapeutic touch of clay

During the day you will learn general hand building techniques focusing on skills that help to create a well built and interesting piece. Your piece can be painted using under glaze. The piece will then be taken to be bisque fired and returned to you later.
