Shining a Light on Creative Approaches to Wellbeing!

This event showcases exciting conversations, performances and the power of community!

He Tangata, He Tangata, He Tangata!!

Alongside the dulcet tones of one of New Zealand's greatest musicians, Caitlin Smith, you will have the opportunity to participate in an open panel korero, learn more about what's happening in your community and hear some wise word-smithing from award winning spoken word artists, Gemishka Chetty and Daniel Goodwin.

AND it wouldn't be community without kai, stay for a chat and break bread with us afterwards
